- Communication
- Problem Solution

I am a **Software Engineer** with foundational coding experience, graduated from Generation Thailand boot camp, with a passion for building innovative web applications and **aspiring to be a Software Developer or Software Engineer.**

I am eager to take on a role that promotes skill development, Strong communication, and collaborative teamwork. I am dedicated to using my acquired skills as a foundation in technology, problem-solving, communication, and critical thinking, to make a meaningful impact.

### EXPERIENCE

#### Specialty Barista

RIM Bingsu & Coffee Bar | **Nov 2022 - Jan 2023**

- Proficiently created a variety of coffee beverages, catering to customer preferences, creating delectable desserts and Bingsu, and expertly presenting specialty drip coffee at the bar.
- Effectively advised café patrons with the assortment of coffee offerings, graciously extending invitations to engage in a genuine coffee exploration encompassing aroma, flavor, and experiential delight.
- Increased novel menus, encompassing the conception of seasonally and festively appropriate promotions

### EDUCATION

#### Junior Software Developer Bootcamp

Generation Thailand | **July 2023 - October 2023**

- Learned how to build web applications from React as front-end, Node.js as back end, and MongoDB as a Database
- Learned essential skills for switching careers, such as growth mindset, communication, agile, and teamwork

#### Bachelor's Degree of English language, Faculty of Humanities

Ramkhamhaeng University, Bangkok | **April 2020 - Present**
